Biography

Alex Garber was born in 1978 in Moscow, Russia. He received a formal education in liberal arts in former USSR and United States. Living in New York, USA, Alex have focused his artworks mainly on urban themes, and pay special attention to the role of the environment on individual's mind, especially in a large cities. Alex has accomplished himself in several fields and took interest in many areas, ranging from psychology and sociology to graphic design and optics. Bringing all this into photography Alex have developed a unique technique and style based on working with both one's reception of the visual, and the imagery's propertied directly.

Artist's goal is revealing the invisible, and creating the opportunity to question the one's perception of reality, broadening viewer's horizons and ultimately understanding of oneself and the world.
